Once they have been selected, we will receive their information sheet and a current photo, for advertisement. There will be a meeting to go over the ins and outs of the pageant and a mock trial walk on the stage. There will be three judges, non-Jaycee or Gregg County Fair members.

The young ladies will meet with the judges at a local restaurant for a Q&A session. From there they will be given a limo ride to the Fair, driven down the mid-way and will arrive at the stage, being greeted by hundreds of their schoolmates.

Then let the FUN begin, through the screaming and shouting of hundreds of school student’s the pageant will begin. The radio station “The Breeze 95.3 FM” will be emceeing the Pageant. The ladies will walk one at a time down the cat-walk as the emcee gives the information on the contestant, while posing for pictures

Once again the ladies will have a question asked them, a question that they themselves will draw from a hat on stage.

A school spirit trophy will be awarded to the school that shows the most school spirit during the Pageant.

The judges will be sitting beside the stage and will watch and listen to the answers given by each contestant, Then the judges will be taken to a secure room and will tally up their votes and will come back with the results.

Then the “BIG” moment, the crowning of the “2015 Miss Gregg County” and the “Runner Up”, also “Miss Congeniality”. Miss Gregg County will receive the covenant crown and a sash, roses and a gift basket. Scholarship money will be awarded to the new Miss Gregg County. Once she has graduated and shows that she is indeed going to attend a college of her choice, then and only then will she receive the scholarship money.
